Terms and Conditions

1. The participating company must submit the offer in two envelope system. The first envelope will contain the technical offer and the second envelope will contain the financial offer. The two envelopes must be covered in a large envelope. All the envelopes will contain the full name and address of the participating company. The name, address and telephone number of the contact person should be mentioned in the forwarding letter submitted with the technical offer.
2. **The participating vendors should quote for all the items in the group. Partial offer will not be accepted.**
3. **Sealed quotations have to be submitted to the Head of IT Procurement, Innovation, Reconciliation & Monitoring Division of the bank on or before December 10, 2024 by 4:00 p.m. The technical offers will be opened at 4:10 p.m. on the same day in presence of bidders, if any. The financial offer will be opened later on. The evaluation of the technical offers will also be made later on.**
4. All the pages of the tender schedule as well as all the offered documents should be duly signed by the authority of the bidder.
5. Proper documents and data sheet have to be provided supporting the compliance of all the specification in the offered model which is stated in the required specification, feature and description.
6. Proper bills of material have to be provided for the quoted product.

7. **An amount of Tk.5,00,000.00 (Taka Five Lac) only to be submitted with the offer through separate PO/BG (BG as per enclosed format Annexure-A) in favor of "Dutch-Bangla Bank PLC" as earnest money with validity upto at least December 31, 2025. If successful supplier fails to deliver, install and configure the hardware within the stipulated time, the earnest money will be forfeited. The PO/ BG must be enclosed inside the Technical Offer's envelope. The PO/BG will be returned to the respective bidders after completion of assessment and issuance Purchase order to the successful vendor(s).**
8. All quoted price should include delivery, installation, configuration and training cost and VAT, Tax, etc, if any.
9. Warranty period will start after delivery and successful installation of the devices in each phase.
10. Full warranty will cover replacement or repairing of the defected / corrupted hardware within 24 hours of the reporting the problem. The problem should be attended on the spot within 2 hours of reporting.
11. The successful company must submit original technical and user manuals of all the hardware and software at the time of delivery of the items to the Bank.
12. The terms of payment will be as under:
 - 80% payable after delivery and installation of items in each phase.
 - 20% payable 02 (Two) months after delivery & installation of items in each phase against submission of Bank Guarantee with same value and validity upto warranty period or after expiry of the 05 year warranty period.
13. Photocopy of all the relevant documents should be submitted with the offer including:
 - a. Valid Trade License
 - b. GIR/TIN certificate
 - c. Proof of experience as desired in the general section of this schedule
14. **The offers should have validity for at least December 31, 2025.**
15. The ordered quantity may increase or decrease based on the actual requirement of the Bank at the time of issuing Work Order. The Bank may re-order on the work order price within December 31, 2025.
16. **Delivery of the products should be made in different phases at the Fast Track premises within December 31, 2025 from the date of the work order as and when required.**
17. All the prices should be mentioned in Bangladeshi Taka.

18. The authority reserves the right to relax, change or drop any of the terms and conditions of the schedule without any further notice.
19. The Bank shall not be under any obligation to accept the lowest quotation.
20. The Bank authority reserves the right to accept or reject any or all, in part or full offers.
21. The technical offer should be submitted as softcopy also in CD/DVD/Flash drive in the technical envelop. If the contents of the softcopy & hardcopy differ, the contents of hard copy will be considered.
